

## New This Year:

### Beginner/Intermediate Jamming

This year we are continuing with our intermediate jam and adding a beginner jam for shy people of the bluegrass world. We have consulted with the jams in the three areas of the state to compile a song list for this jam so that you may come prepared. There will be no pressure to do breaks. Our goal is to have fun and give beginners and intermediates a chance to play with other people at their level. We will post a sign where people can gather for this jam and have a jam master to moderate and help those with questions.

## Get Your Kids Interested in Singing and Playing Bluegrass

If you have a child or know of a child 18 years and younger who is playing or singing bluegrass they are welcome to participate in the "Kids In Bluegrass" program. This is for all abilities and all children 18 or younger. The only criteria is that it must be bluegrass music that the child is playing or singing. So if you have children and would like them to participate you may contact Raynae Redman [blugrsmom@aol.com](mailto:blugrsmom@aol.com) or by phone at 208-839-2267 or you can just speak to her at the festival and let her know of your child.

### Tweener Stage

A Tweener Stage is a small stage off the main stage that will be used to showcase musicians and groups between acts on the main stage. While the main stage is being set up for the next act, musicians perform two or three tunes on the Tweener Stage. We appreciate all of the great musicians that come to the festival and are not performing with the main stage acts. There will be a sign up sheet at the ISBA booth. Think about it and get yourself and others together and sign up for a performance on the Tweener Stage.
